## New Beginnings, Timeless Flavours.

Every great feast starts with a spark — and that's how Platinum Platters began.

We're a **new-age catering and event team** from Kerala, proudly rooted in the traditions of Malabar cuisine. What brought us together wasn't just a love for food — it was the idea of creating unforgettable experiences around it.

We may be new on the scene, but our passion runs deep. From Thalassery biryani to traditional sadhyas, from cozy house parties to elegant weddings — we blend **authentic flavours** with **modern presentation** and thoughtful planning.

Our goal is simple: to serve food that feels like home, and events that feel like a celebration of you.

Backed by a young, energetic crew and a genuine love for what we do, we're here to bring a fresh vibe to Kerala's catering scene — one platter at a time.

Let's start something delicious together.

**Rooted in  
Malabar. Made  
for Moments.**
